I'M A CELEB QUIITTER, TELLS OF SPLIT

BY COLIN ROBERTSON and ALLY ROSS
JORDAN sensationally dumped lover Alex Reid yesterday, hours after quitting *I'm A Celebrity*. The glamour model, 31, ditched the cross-dressing cagefighter after learning he had sold stories about proposing to her on TV.
 Last night Jordan, *right* — real name Katie Price, 47, confirmed the break-up on air, saying: “I’ve done a lot of reflecting. I think it’s best I’m on my own. I don’t want a relationship — I hope we can remain friends.”
 Ex-Eastender Lucy Benjamin, 39, later became the first celeb voted off the ITV show.
